

SHARE YOUR NONPROFIT'S STORY THROUGH VIDEO

Your supporters still care about your nonprofit. The hours they've volunteered and the donations they've made haven't vanished from their memory. Now isn't the time for silence – **it's the time to communicate with your supporters and community.**

The Decatur Family YMCA's video, "Stay With Us," is an engaging example of YMCA CEO Matt Whitehead connecting with donors, members, attendees, volunteers, staff, and the public. The video provides Whitehead an avenue for sharing the organization's ongoing positive impact.

The Community Foundation of Macon County provided a marketing support grant to the YMCA, and your organization has an opportunity to receive the same grant!

We're offering a Three Link Media video grant to the first 10 Macon County Legacy nonprofit members who respond to this grant offer by emailing nbeck@maconcountygives.org.

We encourage you to tell your organization's story. Your nonprofit has a unique opportunity to communicate with donors and volunteers during this crisis.

WE ARE HERE TO HELP

We will continue to listen to the needs of our nonprofit partners and collaborate to address critical issues as effectively as possible. We are incredibly honored and inspired by the generous spirits of Macon County donors. We see them giving to provide emergency relief as well as finding other ways to give back, spread hope and fulfill dreams through their selfless acts of kindness.

Natalie Beck, President
Community Foundation of Macon County

WISH LIST COVID-19 RELIEF

Submit Your Nonprofit Wish List

This is a special expansion of our quarterly Legacy Wish List. Funding could include general operating support, cleaning equipment needs to safely open facilities, technology needs, etc.

We invite you to email your COVID-19 related funding needs to Kaitlyn Farrar at KFarrar@maconcountygives.org. We will publish a new wish list on June 12 and maintain the list on our website as a resource for the evolving needs of our nonprofit community.
